Dear Mr. Mensing:

We have your letter dated May 25, 1977, in reference to the above.

For your information, about seven (7) or eight (8) years ago, this particular site was covered in accordance with regulations. Since that time, erosion has uncovered some of the metal that had been placed in this location.

We are contacting our local grading contractor, and would hope to have this recovering done within the next thirty (30) days.

Yours truly,

EAGLE-PICHER INDUSTRIES, INC.
Chemicals and Fibers Division
